

Facebook review from parents of junior archers - received August 24, 2023.

Char Baumann Pardely  
What a great program! Troy enjoyed it and learned sooooo much! Thank Coach Leon, Coach Naython and Coach Clayton. As a parent of a junior archer in this program I am in awe of how much heart and dedication that Leon puts into this. His attitude and ways that he teaches this lucky group of kids makes it very fun and engaging for both the archers and the parents. Thank to all the members that encourage and support this program. ❤️
